Say hello to colour

colour books, music, video and photos

ebook

the next chapter in the story of reading

Pocket-sized eReading

The pocket-sized 500EB is both lightweight and ultra-portable; great for taking out and about with you to keep you entertained when you're on the move. A multi-media packed product, the eBook's 5" colour screen is great for reading colour books, viewing photos, watching movies as well as listening to music using the earphones included. The 500EB has something for every lifestyle, whether you're going to work, going on holiday or just going to bed!

Reading Revolution

The eBook's 5" screen is a window to a world of next generation digital content. Read colour eBooks, digital magazines, news, comics, cooking books, travel guides and much more.

Turn from **portrait to landscape** and quickly change the **font size** and type to make reading **easy on the eye**. You can even change the screen to black and the text to white to make it easy to read in low light levels.

Includes ADOBE® READER® MOBILE

Wonderful in colour

The eBook uses an amazing LCD screen to let you view pages in glorious **colour**, and its vibrant LED backlight means its great to read at night or in bed.

eBooks

The eBook has 4GB storage space for around **6000 books** (expandable to up to 30,000* books via SD card). The eBook supports DRM **ePub** and **PDF** (as well as various less widespread formats).

Music & Digital Photos

The eBook is a great way to unwind and enjoy your favourite **Music, audioBooks & Photos**. With your favourite multimedia in your pocket its a fun way to share your memories with friends and family.

(includes earphones)

Video

Watch **720p** AVI videos, films or home movie clips on your eBook's true **16:9 widescreen**. Its easy to pop a new movie straight in using the SD card* slot.

Quick Start Guide

Accessories Black 5" eBook Case

Protective
Protect your 500 series eBook from the rigours of daily life with this stylish black pouch-case. Specifically designed to provide additional shielding, with a reinforcing layer to dissipate any knocks and bumps.

Convenient
The eBook case has a handy pocket in the front to store small items, such as business cards or a shopping list, as well as a convenient pull-tab on the rear to remove the eBook with ease.

Stylish
Designed with minimalist and ergonomic style, the case has a soft and tactile finish. The best way to transport your 500 series eBook, this lightweight case weighs only 35g.

* Depends on usage. SD Card not supplied. Case is an optional accessory not included in the pack. Storage based on 0.5Mb per eBook. Specification subject to change without notice
